

Uses

| | |
|--------------|--|
| ID | 1,198 |
| Crop ID | Foxtail Millet |
| Part | Grain |
| Use Category | Food |
| Notes | The grain may be cooked and eaten like rice, either entire or broken. It can be ground and made into unleavened bread or, when mixed with wheat flour, into leavened bread. The flour is also made into cakes, porridges and puddings. |
