

# Uses

ID	415
Crop ID	Buffalo Gourd
Part	Fruit
Use Category	Industrial
Notes	The fruit is used as a soap substitute. The fruit is cut up and simmered in water to obtain the soap which can be used for removing stains. The fruit can also be dried and stored for later use. It is often used with the root which is also a soap substitute. The soap is said to be effective in removing stains from clothing.
